Modern villa in quiet location in Costa d'en Blanes This bright villa offers wonderful views over the bay of Palma. Equipped with the finest materials and an open living room this property is located just a few minutes from Puerto Portals and Palma, but at the same time offers tranquility and security. The house is not visible from the street. The four bedrooms are all on one level and the pool is visible from the living room and kitchen. The garden is easy to maintain and offers children the opportunity to romp. The garage has room for two cars.
